

This is about retaining democracy in the United States. We do not need more media consolidation! That would only stifle the public's access to a free diversity of opinion in the media. Why should we be exposed to only the controlling interest's side of any story or opinion? I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.
